かじき高校の生徒と先生、ありがとうございました！

初めて外国の学校に行きました！さいしょは、私はちょっと心配しました。でも、みんなさんが優しいから私は大丈夫です！時々、分かりませんでしたけど心配しなかった！たくさん友達ことができました。また会いましょう！お願いします！かじきに帰りたい！

生徒は私の学校に行きす！楽しみにしています！たくさんを見せます。

私の日本語が下手ですからごめんなさい。みんなとたくさんを話したい。未来でもっと日本語を勉強します！上手になります。

There are lots of things I want to say, but my Japanese is not that good yet. So, I will write in English! First, thank you so much to all the teachers and staff I met. Despite some language barriers, you were able to give me an amazing experience at your school. I appreciate it beyond belief. Kajiki High School is so beautiful! One thing I admired throughout my entire trip in Japan was the architecture. Your school is so beautiful! It is also so clean! I wish I could be a student.

Some students will be coming to America and have a chance to come to my school, Puyallup High School, in Puyallup Washington. I am so excited! I will be there and show you everything. You will also be able to see my Japanese class. Everyone is very nice and excited! I hope you will like it, even though it is very different.

Despite only staying there for a week, I was shown incredible respect and hospitality. I met amazing friends who I will never forget. I will meet you all again someday! I promise it. You gave me an experience of a lifetime. I learned so many things. Not only about Japan, but about the world. I learned skills that will help me in my future.

Thank you so much!

Sincerely, Valentina Rene Ojeda.
